REQUEST FOR REVISED OFFICE ACTION

Mail Stop: Response
Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

January 5, 2004

Sir:

Applicants, through their undersigned attorney, acknowledge receipt of an office action mailed December 22, 2003, in connection with the above-identified application. However, since the status of claim 26 is unclear, issuance of a revised office action and restarting of the period for response are requested.

It is noted that claims 1 - 26 are pending in the application and that the office action summary (PTOL-326) indicates claims 1 - 26 to be rejected. However, neither the statement of the rejection in numbered section 16 of the office action or the statement of the rejection in numbered section 17 of the office action mentions claim 26. Therefore, it is not clear if or how claim 26 is rejected.

Issuance of a revised office action clarifying the status of claim 26 is requested.

It is also requested that the period for response be restarted to begin with the mailing date of the revised office action.

Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 306.41247X00), and please credit any excess fees to such deposit account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
